Fraternity and Sorority Leadership Development  
3:30 PM - 4:20 PM  | Tutor Campus Center (TCC), Room 350

Listen and ask questions while current students and parents share their fraternity and sorority experience. Parents will learn about the 52+ different fraternities and sororities, how students grow through leadership opportunities, excel academically and how students and families engage and support the university and local community. Reception to follow in TCC 330.

National Pan-Hellenic Council & Friends Reception

Fraternity and Sorority Leadership Development & Center for Black Cultural Student Affairs  
5:00 PM - 6:00 PM  | Trojan Family Room

Enjoy this mixer co-hosted by FSLD and CBCSA. The National Pan-Hellenic Council is an organization of historically African-American fraternities and sororities, collectively call the “Divine Nine”. This is a great opportunity for Trojan parents and families--whether or not their student is affiliated with a Greek letter organization-- to get an introduction to the National Pan-Hellenic Council. The Black Student Assembly’s Annual Family Dinner immediately follows this reception.
